PROFILE

Industrial Engineer with over 4 years of experience across customer support, logistics coordination, and administrative operations. Skilled in handling high-volume communications between diverse stakeholders and managing sensitive data across multiple channels. Proven track record of optimizing daily tasks and processes. Proactive and detail-oriented team member with experience collaborating with small and large teams internationally. Known for rapidly adapting to new systems and technologies while performing with precision in high-demand environments.

JOB EXPERIENCE

Customer Service Agent - SOLVO GLOBAL

May 2026 - Present

- Delivered high-quality customer support for a clinic dealing with 90 to 140 inbound/outbound calls, booking appointments and checking eligibility according to different insurances.
- Handled sensitive information daily.
- Demonstrated strong multi-tasking and problem-solving skills, working under pressure against medical emergencies with professionalism.

CX Order Entry Coordinator (EDI Specialist) - Lean Solutions Group

Feb 2024 - March 2026

- Managed 50–150 daily shipment orders for U.S. clients with high accuracy using Trinium TMS, developing deep platform knowledge to anticipate and prevent processing issues.
- Coordinated in real time with port and rail terminals, applying strong communication and active listening skills to confirm operational details and resolve discrepancies.
- Optimized internal communication channel using Office 365 tools and reducing the number of daily emails
- Performed simultaneous data entry and record management functions while maintaining accuracy under tight deadlines.
- Adapted rapidly to evolving workflows and systems, demonstrating fast learning and consistent performance in a high-demand environment.

Customer Service Agent - SOLVO GLOBAL

Feb 2022 - Feb 2024

- Delivered high-quality support to U.S.-based clients via inbound calls, email, and chat, resolving inquiries in a timely and professional manner.
- Managed a daily average of 80-120 inbound calls while consistently maintaining exceptional service standards.
- Provided detailed information on property listings, enhancing customer satisfaction and interaction quality.
- Strengthened English communication skills (C1 level) through daily multi-channel interaction with diverse U.S. audiences in a fast-paced BPO environment.
- Demonstrated strong multi-tasking and problem-solving skills while handling stressful situations with professionalism.
